
**THE MOST
ADVANCED
PEDAL-POWERED
WATERCRAFT.**

FORWARD, REVERSE, REVOLUTIONARY.

Introducing hands-free fishing in the new pedal-driven Predator PDL. For forward/reverse boat control, it's the most advanced human-powered fishing watercraft on earth.

Old Town[®]
PREDATOR **PDL**

PREDATORKAYAK.COM

A NEW PREDATOR JOINS THE PACK.

The **Predator Series** has received the highest acclaim since its introduction. Predators won ICAST's coveted 2013 and 2014 "Best Boat" awards, along with "Best of Show" in 2014.

For 2016, Old Town has unveiled the **Predator PDL** - the most advanced pedal powered fishing machine of its kind. It gets you to the spot fast, and keeps you on the spot without paddling. With forward, reverse and agile maneuverability, you'll experience precise boat control while your hands remain free to focus on fishing.

Element Seating System
delivers adjustable,
all-day comfort

PREDATOR PDL

Measuring 13'2" with a 36" beam, the **Predator PDL's** specially-designed hull combines the perfect balance of smooth pedal stroke speed and stand-up stability.

Revolutionary PDL Drive

Slip-resistant Exo-Ridge deck for
sure footing and fast drainage.

6 removable mounting plates
for accessory mounting without
drilling into the hull.

FEATURES

Oversized tank well for cooler, gear box and more.

Rudder control knob positioned for fast, easy steering.

Gear storage pockets designed for fast access.

6 accessory mounting plates.

Built-in transducer scupper.

Large bow hatch with click seal cover holds plenty of gear.

OLD TOWN PDL DRIVE™

This revolutionary pedal drive hits an impressive 5.5 MPH with a 10.3:1 gear ratio for efficient pedaling. It mounts into the **Predator PDL** in seconds and in shallow water it can tip up to its docking position in an instant.

Handy carry handle makes toting the PDL drive a breeze.

PDL console doubles as dry storage with a 6-inch access hatch.

Padded pedals for barefoot comfort and a sure grip.

Intuitive power assist pivot and docking mechanism for easy deployment.

Overbuilt for toughness, yet weighs just 21 pounds.

Weedless power prop delivers maximum torque in forward and reverse.

ONE-HAND POWER ASSIST DEPLOYMENT

ELEMENT SEATING SYSTEM

OLD TOWN DESIGNED THIS SEAT SPECIFICALLY FOR ANGLERS, WITH A SLIDE-LOCK SYSTEM TO ADJUST LEG LENGTH FOR THE IDEAL PEDAL STROKE.

TRAVEL

In the travel position, you'll have a lower center of gravity when you need more stability and pedaling power.

ATTACK

The attack position provides a raised seat for more comfortable and efficient fishing.

STAND-UP

For poling, sight fishing and casting, the stand-up position clears the deck for upright action.

NEW ELEMENT SEAT

SEAT WIDTH 21"
SEAT HEIGHT 15"

Slide-Lock System

LIFETIME HULL WARRANTY

The hull and deck of your Old Town Predator PDL are covered for the lifetime of the boat from your original purchase date.
